Dear Admiral Turner:

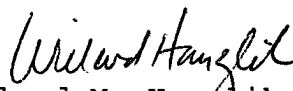

Thank you for your thoughtful letter. I am sorry to learn of your parents' passing.

My wife and I were members of First Church of Christ, Scientist in Charlottesville when I attended graduate school at UVA. We are grateful to have had the opportunity of having your parents as our friends. I'll never forget the fun of playing golf with your father at Farmington Country Club and our frequent and long and engaging discussions on current issues. We recall too the pleasure of meeting you and your wife at a reception given by your parents in your honor at Farmington.

I am grateful for the encouragement and counsel Oliver gave me when I was a student in Virginia and shall always treasure the two years when we were neighbors.

Let me take this opportunity to express my deep appreciation to you for serving the Government. Please know that you have our support and best wishes.

Sincerely,

Willard M. Hanzlik
